

## A Tradition of Quality and Craftsmanship

Gibbins of Suffolk was founded in the early 1980's and manufactures a wide variety of high quality leather goods including aprons for the farrier market.

## Developed for the Professional Farrier

Farrier Product Distribution offers a range of tools and finished bar shoes made and branded only for distribution by FPD. These products have been developed and produced to specifications and standards suitable for the professional market.

## High-Performing Tools and Aprons

FootPro™ tools and aprons were developed by FPD based on years of feedback from professional farriers. These quality products are available only from FPD dealers.

## Affordable Professional-Grade Aprons

The Diamond® tool line offers a quality range of affordable products designed for efficiency and professional results. Diamond® Tradition - Kerckhaert Innovation.

## Try these other fine products exclusively distributed by FPD, Inc.

### FootPro™ File Roll

This is a really nice option for competitors that travel for contests and need to take a variety of finishing tools with them. It will also be useful for any farrier or vet to carry the key tools they need when not working out of their rigs. Tools not included.

### FootPro™ Tool Roll

The FootPro™ Tool Roll features 4 knife pockets in addition to the pockets for files, tools and rasps, ideal for organization on the go. Tools not included.

### Liberty Wrist Magnet

Liberty Wrist Magnets are 10"x2.5" and adjustable using a simple velcro closure. You will find the large magnetic disc handy for providing easy access to horseshoe nails as you are working – and a much safer alternative to holding nails in your mouth. One size fits all.

Farrier Product Distribution, Inc. is the exclusive distributor of Gibbins, fp™, FootPro™ and Diamond aprons for the North American farrier market. To find a farrierproducts™ dealer near you, visit [farrierproducts.com](http://farrierproducts.com) or call (800) 468-2879.

QUALITY FARRIER APRONS

## Gibbins Tear-Away Superthistle

Purpose made, top of the range suede. Made from ox hide, the Superthistle apron has been specially designed for use by farriers. It retains its moisture and will leather-up with use. Strong and supple without excess weight. Waist adjusts with 2" buckle.

### MEASUREMENTS

**Tear-Away Superthistle Short**  
Length - 26"

**Tear-Away Superthistle Long**  
Length - 34"

## Gibbins Tear-Away and Tear-Away Hipster Flamemaster

Combines state of the art technology in flame retardant finishing with the hardwearing and aesthetic properties of cotton rich polyester blends. Waist adjusts with 2" buckle.

### MEASUREMENTS

**Tear-Away Hipster Flamemaster Short**  
Length - 22"

**Tear-Away Flamemaster Long**  
Length - 32"

## Gibbins Closed Front Wrap-Round Hipster Superthistle

Same great features as the Tear-Away Superthistle. In addition, this apron features leg fastening with multi-position and Tenax popper. Waist adjusts with 1.5" buckle.

### MEASUREMENTS

**Closed Front Wrap-Round Hipster Superthistle Long**  
Length - 31"

## fp™ Model K Light

The Model K Light Apron is made with Proban fire retardant material that is light but tough. It is reinforced in the crotch area and the leather pads give good coverage. It has two knife pockets and the belt snaps at the hip and has an adjustable buckle as well.

### MEASUREMENTS

**Model K Light Short**  
Length - 26"

**Model K Light Long**  
Length - 30"

## FootPro™ English Model

This FootPro™ economical apron has an excellent feel to it; 30" long, featuring double knife pockets, protective leather pads, Velcro leg straps and an adjustable buckle belt. The apron is available in long, 30" and short, 25". These aprons have green leather pads on brown cotton duck backing.

### MEASUREMENTS

**FootPro English Model Short**  
Length - 25"

**FootPro English Model Long**  
Length - 30"

## FootPro™ with Magnets

A design similar to our Model K aprons but with improved fit, material quality and design. Outside of leg is wider, with knife pockets dropped lower so they are out of the way when working. Features a nail magnet on both sides of the apron, just below the knife pocket. FootPro™ Aprons are manufactured in the USA and are a light-weight material with leather pads.

### MEASUREMENTS

**FootPro™ Short**  
Length - 26"

**FootPro™ Long**  
Length - 31"

## Diamond® Apron

The Diamond aprons are well constructed with strong leather patches double stitched over a heavy-duty cotton apron. Each apron comes with two hoof knife pockets; stitched and riveted for extra durability. Featuring an adjustable quick release buckle and Velcro leg straps, each apron is handmade by skilled Dutch leather workers.

### MEASUREMENTS

**Diamond® Short**  
Length - 22"

**Diamond® Long**  
Length - 28"

## Diamond® Light Apron

Heavy-duty leather farrier apron with lightweight feel with a quick-release waist belt, adjustable leg straps and knife pocket on each leg. Double stitched and riveted for added durability. Double leather pad provides excellent inner/outer leg protection.

### MEASUREMENTS

**Diamond® Short**  
Length - 22"

**Diamond® Long**  
Length - 28"
